Cancellation and Reminder Calls Policy

I understand that when I schedule an appointment at Square One this time is reserved for my child and the doctors are not booked with multiple patient appointments.

I understand that I need to notify Square One at least 24 hours in advance if I need to cancel my appointment for any reason. Square One understands that illness is unpredictable. Please call as early as possible, preferably 24 hours in advance. Our no-show/same day cancellation policy is to charge for an appointment missed without adequate notice. The no-show/same day cancellation fee is the same as the amount of the scheduled appointment. Appointments cancelled outside of business hours via voicemail, email, or other notification are processed on the first business day following the notification.

If I cancel an appointment without adequate notification, I will be billed for that appointment.

Reminder Calls

Square One administrative staff routinely makes one reminder call to one designated parent/guardian/patient the day prior to scheduled appointments. Square One does not make multiple reminder calls per appointment. Reminder calls are a courtesy only. If you do not receive a reminder call or if a reminder message does not reach you, our cancellation policy remains in effect.

I have read and understand the above stated policy.
